

The Department of Labor oversees many important laws that affect our everyday lives. Here are a few of the most common questions my office receives that deal with this agency:

[How can I get information about federal laws involving overtime, work hours, and other employment issues](#) ?

[How do I take advantage of the Family and Medical Leave Act](#) ?

[Department of Labor](#)

If you would like to request my help with an issue involving the Department of Labor, print out the [Authorization Form](#) and fax it to my office.
